

BASIC LEVEL DISASTER RESPONSE COURSES

The **Mountain Valley Chapter, American Red Cross** will be offering basic level disaster response courses.

These courses are free and will be held at our office at 865 N. Freedom Blvd. in Provo. These courses train a disaster response volunteer to work with or for the Red Cross in providing vital post disaster services to include mass and mobile feeding, sheltering, medial health counseling, and other vital services. For more information on these courses please contact **Alan Cook at (801) 373-8580**

Our Health & Safety courses are now available on line at **RedCrossUT.org**. Remember proceeds from Red Cross CPR/AED/First Aid, Lifeguarding, and other programs go to support our local disaster victims. The Red Cross, though mandated by congress to respond in emergencies, is not a government agency and does not receive government funding.
