Further discussion of the following topics:

**Meeting planned for the Taylorsville City Hall on February 20<sup>th</sup> at 7:00 pm.**

Agenda items planned: how to use our \$500. Calendar for the year (we are required to meet 9 times).

Support your caucus. April 26<sup>th</sup> community action. Neighborhood gathering. If UTA can come then they would like our input on how things are going in Taylorsville. How to reach out to our community?

**Discussion items:** how to use our temporary \$500 to publicize the community council. Opinions expressed: Email would be the cheapest and best method but until our community knows what 5A CC is then we won't have enough of those. We decided to start with our own neighbors and expand over time. We would like to do a mass mailing with postcards and continue to try to gather emails. We like the street signs but wonder if it is premature as our neighbors don't even know what 5A is so the signs might not mean anything to them. Table this discussion until the next meeting.

### **Action Items:**

Doug: 1) contact Jeff Stantion, UTA to see if he can come to the next meeting.

2) Find out the number of households in our area to determine if we have enough money to do postcards.

Kory: 1) make a postcard/flyer

RaAnn: 1) post minutes and election results to facebook

2) post them to Rhettta at Taylorsville offices

3) link the 5A map to facebook
