At 7 pm, Chair Cathy Jeffs and Joyce Jackson met to discuss plans for distributing our information sheets to the residents of District 4B. The City has printed out the copies we will need.

A map of our area was discussed after touring some of the neighborhoods that we will have to cover.

Cathy and Joyce laid out a tentative schedule for this effort, deciding to start on Tuesday, September 10th.

Meeting was adjourned at 7:30 p.m.
