# Did You Know?

*How well do you know Taylorsville ordinances?*

Try this short quiz:

**Question 1** - A barking dog is not a nuisance as long as he is properly licensed.

- A) True
- B) False

**Question 2** - You can place a basketball standard in the parking strip or gutter facing the street so your children can play basketball in the street.

- A) True
- B) False

**Question 3** - State, county, and city traffic and parking regulations can be enforced on school grounds even though it is private property.

- A) True
- B) False

---

**Answers to "Did You Know?" quiz:**

- 1) False. Any unreasonable or annoying noises, howling, barking, whining, or other noise from a dog is a nuisance and may be abated. (Section 8.24.015.)
- 2) False. Any recreational activities on city roads are not permitted for obvious safety reasons. (Section 11.08.010.)
- 3) True. All applicable state, county, or city traffic and parking regulations will be enforced on school property. That means everyone has to park as indicated and you cannot park in restricted areas or wait in areas not intended for parking. (Sections 11.24.010 and 11.24.030.)
