

Healthy Taylorsville Community Health Fair

The Healthy Taylorsville Community Health Fair was held on Saturday, November 7, 2009, from 10:00 a.m. to 2:00 p.m., at Taylorsville High School, 5225 South Redwood Road.

Taylorsville High School's FBLA (Future Business

Leaders of America) sponsored the free community-wide health fair, in partnership with Intermountain Healthcare, Jordan Valley Medical Center, and Taylorsville City. The fair focused on physical and mental health, as well as emergency preparedness.

Free cholesterol, blood pressure, bone density and diabetes screenings, child fingerprinting kits, car seat safety, Life Flight, identity theft, K-9 demonstrations, emergency preparedness ideas, and other health presentations were part of the event. Hourly drawings, including donated bikes were included.
