

Mayor's Message: March 2011

Mayor Russ Wall

We'd like to invite you to some upcoming events...

Taylorsville Arts Council has scheduled Art Show 2011 for Friday, February 25, from 12:00 Noon to 8:00 p.m., and Saturday, February 26, from 10:00 a.m. to 2:00 p.m., in Taylorsville City Council Chambers, 2600 West Taylorsville Blvd. (5320 South). This is an opportunity to admire the varied entries submitted by our talented residents. Categories include *Fine Art*, *Mixed* (photography, digital art, pottery, ceramics, wood carving, crafts, and sculpture), and *Needlework*. Age Groups are *Youth* (up to age 14), *Adult* (15-59), and *Senior* (60+). There is no charge for admission. Awards will be presented Saturday, February 26, at 2:00 p.m.

On February 25, a concert by Taylorsville Symphony and Salt Lake Community College Orchestra is set for 7:30 p.m. at Eisenhower Junior High, 4351 South Redwood Road. The orchestra, under the direction of Richard Brunson, will perform music by Mendelssohn, Debussy, Vaughan Williams, and Beethoven. Donations are appreciated.

Looking ahead to March 5, Taylorsville's LARP (Leisure Activities, Recreation and Parks) Committee, and the Healthy Taylorsville Committee will host Taylorsville's first Urban Iditarod race at 10:00 a.m. This will be a unique event with humans and decorated shopping carts, instead of dogs and sleds. Registration now. Cost is \$40 per team of five people, and proceeds will be donated to the YMCA. Contact Rhetta McIff at 801-915-9519 for information.

Our volunteer committees are busy with activities and programs throughout the year. Information on events are posted on our City's website at www.taylorsvilleut.gov and the newsletter's calendar of events.

Don't forget our Town Meeting on Wednesday, March 30 at 6:00 p.m. in Taylorsville City Council Chambers. This is your opportunity to ask the Mayor and City Council questions, and bring your ideas and suggestions in an open forum.

Sincerely,

A handwritten signature in black ink that reads "Russ Wall". The signature is written in a cursive, flowing style.
