

# Mayor's Message: November 2009

**Mayor Russ Wall**

This is a reminder about Taylorsville's first annual Veterans Day Celebration, scheduled for Wednesday, November 11, 2009, at Taylorsville City Hall, 2600 West Taylorsville Boulevard, Taylorsville, Utah. The program will begin at 11:00 a.m.

We are beginning an exciting annual tradition in which we honor our veterans and our nation. Patriotic music, photos of veterans and historical information will be featured at the event. Thanks to the veterans and their families who have contributed interesting histories, numerous photos, and memorabilia which will add so much to the occasion.

Highlighting the program will be the unveiling of the winning design for a new Veterans Memorial to be built at City Hall.

For the first time, new street banners honoring our veterans will be flown at the City Center. We appreciate the donations of individuals, families, and groups who have participated thus far in sponsoring the banners. Sponsors will be recognized at the event. If you would like to sponsor a banner, forms are available at City Hall, 2600 W. Taylorsville Blvd. Contact Scott Harrington at 801-963-5400 or [sharrington@taylorsvilleut.gov](mailto:sharrington@taylorsvilleut.gov) for more information.

We are looking forward to this celebration and invite you to attend.

A handwritten signature in black ink that reads "Russ Wall". The signature is written in a cursive, flowing style.
