2. Discussion of Chapter 2.27.005 Purpose. *Review of the purpose of the local Community Councils.* *Decision made that we are to be an informational group. This Council will attempt to attend as many Taylorsville City Council meetings and/or read the minutes as possible to keep up with the current issues.*

3. Discussion of 2.27.010 items C, D, E and F.

A. (C) Council is unsure how to "reach out to the community". Council discussion about whether we could announce these meetings in local church bulletins. We were under the impression that the city may have a recruiting booth at Taylorsville Dayzz inviting citizens to join in our councils.

B. (D) Council is unsure of how to "reach out to and include all members". Council is concerned about how we will communicate with the neighbors. Doug to ask if we can have access to the addresses, phone numbers, or emails of the people living in our area so that we can contact them and let them know about our next meeting. The minutes will also be posted on the Taylorsville City website. We could possibly also advertise in the Valley Journal or online newsletter or set up a facebook account.

C. (E) Council is unsure of how to "meet on a regular monthly schedule". Since more than half of the year is already over we will just move forward and try to meet the needs we see. Decision made to hold the meetings on Thursday nights at 7:00 pm avoiding the Taylorsville City Council meeting weeks. Doug will request a room in the City offices for our next meeting to be held on Thursday, August 22nd at the City Council offices @ 7:00 pm.

D. (F) Discussion of the fact that we only have 3 members. We hope more will join us. Elections need to be held at the end of the year and are decided by vote of those present as written in the outline.

4. Discussion of 2.27.030 Budget. *Doug to speak to Jessica Springer about the budget. Is there any money for postage or printing this year? Can the city make copies or mail the flyers?*

5. Other items to discuss as per Taylorsville Community Council Meeting of May 30, 2013.

A. Neighborhood Annual Clean-Up (Dumpster). *The council believes the postcards are already notifying each of our neighbors.*

Area near 3600 West and 4700 South on August 14

Area near 3200 West and 4900 South on August 13

Contact: Wasatch Front Waste & Recycling @ 385-468-6325 (Brent Moore)

B. Neighborhood walk & evaluation. *Council members favor an "informational/teaching" approach. It is our decision to help our neighbors and community to be educated, wherever possible, to what the local rules and laws are.*

C. Need for neighborhood watch

6. Additional items to discuss:

A. *Meeting plan for August 22nd @ 7:00pm. RaAnn to contact our local council member, Larry Johnson, and invite him to give us a report on what has been decided and discussed at the last few months Taylorsville City Council meetings that might concern our area. If he cannot attend we will read a statement prepared by him. This will be followed by any questions by the community (time limit to be decided). We would also like to invite any or all persons serving on committee's in the City that currently reside in our 5A area to report to us about the discussions and decisions made in their respective assignments. Doug will talk to the city and see if we can get names of these committee members to invite them to speak at the meeting. How to publicize the event? Newspaper, online, flyers (if possible through the city). This will be determined after Doug finds out what our choices are.*
