

ADDENDUM #1

RFP for LED - LIGHT EMITTING DIODE STREET LIGHT REPLACEMENT PROJECT Due on March 25, 2010 at 3:00 p.m.

The City of Taylorsville hereby issues this addendum to the Request for Proposals (RFP) for **LED - LIGHT EMITTING DIODE STREET LIGHT REPLACEMENT PROJECT**. Please sign and date the acknowledgement form and return to pkimbrough@taylorsvilleut.gov or fax at 801-963-7891.

This addendum includes the following clarification:

The City of Taylorsville has recently received a request to consider proposals for an Induction Lighting System in addition to or lieu of the LED streetlight replacements bulbs and heads. While the induction system was not the primary focus for the City, by way of this ADDENDUM #1, the City will consider such proposals if presented.
