Garbage Collection Services

Sanitation provides weekly curbside residential refuse collection. We also provide collection services to parks, libraries and other non-residential sites.

Recycle Collection Services

We offer residents an opportunity to recycle paper, cardboard, plastics, aluminum and tin. The blue recycle container is emptied every other week on the resident's regular refuse collection day.

An annual area cleanup program is provided to district residents. Roll-off containers are placed in neighborhoods for the disposal of large bulky items, etc. Residents are notified by mail one to two weeks before their scheduled day.

Trailers are available for homeowners to rent to dispose of large green waste and/or bulky household items. They are dropped off at the residence and hauled away according to schedule. There is a \$30 rental fee for a green waste trailer and a \$100 rental fee for bulk trailers. Trailers are rented through reservation and scheduled according to availability.

A special pick up of moving boxes and packing material is provided to new residents. There is no charge to the homeowner for this service.
