# Chapter 13A-08 – LAND USES IN THE COMMERCIAL, OFFICE, INDUSTRIAL, MIXED USE, TRANSIT CORRIDOR, AND RESEARCH AND DEVELOPMENT DISTRICTS

## 13A-08-01 Purpose and Applicability

A. **Purpose.** The commercial districts land use standards are intended to:

1. Allow a mixture of ~~complimentary~~ complementary land uses that may include retail, offices, commercial services, civic uses, and housing to create economic and social vitality, and to encourage the linking of trips; and
2. Develop commercial areas that encourage walking as an alternative to driving and provide employment and housing options.

B. **Applicability.** Uses permitted under this Chapter shall conform to the development standards provided elsewhere in this Development Code, and to the application procedures for development as applicable. Uses shall also conform to any overlay district requirements that are applicable. Uses permitted as a conditional use shall comply with the requirements for Administrative Conditional Use Permits and Nonadministrative Conditional Use Permits.

## 13A-08-02 Permitted Land Use Matrix by the Commercial, Office, Industrial, Mixed Use, Transit Corridor, and Research and Development Districts

A. **Matrix Explanation.** The matrix below lists all uses permitted within the Commercial, Office, Industrial, Mixed Use, Transit Corridor, and Research and Development Districts.

P=	Permitted
AC=	Administrative Conditional
NC=	Nonadministrative Conditional
S=	Special Use Permit
N=	Not Permitted

For those letters which are followed by a slash "/", the second letter shall indicate those location restrictions for uses located within 250 feet of a residential district (unless bisected by a principal arterial road as determined by the City Engineer or as identified in the Transportation Element of the City General Plan).

For those land uses marked with a superscript number (i.e. AC<sup>1</sup>), refer to subsection following the table for explanation.

**C. Explanatory Notes for Land Use Matrix**

1. Single family residential developments only.
2. The use is not permitted if any part of the proposed/existing building containing the use is within 100 feet of a dwelling or probable location of a dwelling on existing residentially zoned property.
3. The use is not permitted if any part of the proposed/existing building containing the use is within 500 feet of an agricultural or residential use or residential zoning boundary.
4. Planned Unit Development permitted at a density of 12 units per acre.
5. This use is not permitted if any part of the proposed/existing building containing the use is within 1,000 feet of any school, public park, library, or religious or cultural activity; within 500 feet of any other sexually oriented business, escort agency, outcall service agency, or semi-nude dancing agency; within 600 feet of an agricultural or residential use of residential zoning boundary, beginning at the property line of such use.
6. Facility storage may not be used to conduct commercial business on site. A mini-storage facility may include a caretaker's residence and areas for the outdoor storage of recreational vehicles (RVs) within a mini-storage building project according to the following restrictions and standards:
  - a. Outdoor storage areas are for recreational vehicle storage only, e.g., boats, campers, trailers, jet skis, snowmobiles, automobiles.
  - b. Outdoor vehicle storage areas shall be located only at the rear of the project where vehicles will not be visible from any public streets.
  - c. Outdoor vehicle storage areas shall be designed so as not to block any driveways, access ways, or parking aisles within the project.
  - d. Outdoor vehicle storage areas must be surrounded by a 6 foot high masonry wall on the exterior boundaries of the mini-storage project.
7. May require Staff or Planning Commission review and approval. (See Wireless Telecommunication Facilities section of this Code.)
8. This use is not permitted if any part of the proposed/existing building containing the use is within 1,000 feet from any school, public park, library, or religious or cultural activity, within 500 feet of any other alcohol or tobacco specialty store; within 600 feet from an agricultural or residential use or residential zoning boundary, beginning at the property line of such use. Distance requirements from structures for this use shall be measured in a straight line, without regard to intervening structures or zoning districts, from the property line of the school, public park, religious or cultural activity, residential use, or other alcohol or tobacco specialty store. Distance requirements from zoning districts for this use shall be measured in a straight line, without regard to intervening structures or zoning districts, from the zoning boundary of a residential or agricultural district to the structure of the alcohol or tobacco specialty store.

9. The use is only permitted as a conditional use as long as the entire operation is contained within a stand alone single tenant office building.
10. Automobile service station / Gasoline Service Station with or with out a Convenience Store (except when two or more like uses exist within 1,000 feet).
