Chapter 13A-10 – OPEN SPACE DISTRICT

13A-10-01 Purpose and Development Review

- A. **Purpose.** The Open Space District (OS) is designed to provide for an enhanced natural environment, protecting the City's limited natural and developed open spaces from further intrusions. The intent of the Open Space District is to establish areas in the City where only open and generally undeveloped lands are to be permitted. Development of a comprehensive network of permanent, multi-functional, publicly and privately owned open spaces shall be encouraged. Restrictions in this zone are designed to prevent the encroachment of residential, commercial, and industrial uses into these open space areas that would be contrary to the objectives and characteristics of this zone.
- B. **Development Review.** All developments within the Open Space District shall be reviewed and approved by the Planning Commission. The Planning Commission shall review all requests for public facilities including parks, pavilions, trails, equestrian areas, and indoor/outdoor recreation centers within this District. During the review process, the Planning Commission shall set appropriate building height, size, and setback requirements for each specific development proposal. Development shall be landscaped as determined appropriate by the Planning Commission upon consultation with the Parks and Recreation Department and in compliance with the City's Water Efficient Landscaping Ordinance.

13A-10-02 Permitted Land Uses in the Open Space District

- A. **Matrix Explanation.** The matrix below lists all uses permitted within the City Institutional Care District.

P= Permitted

AC= Administrative Conditional

NC= Nonadministrative Conditional

S= Special Use Permit

N= Not Permitted

For those letters which are followed by a slash "/", the second letter shall indicate those location restrictions for businesses located within 250 feet of a residential district (unless bisected by a major arterial road as determined by the City Engineer or as noted in the Transportation Element of the City General Plan).

For those land uses marked with a superscript number (i.e. AC¹), refer to subsection following the table for explanation.
