AGENDA ITEM SUMMARY**

MEETING DATE: February 6, 2013

AGENDA ITEM: Discussion to set the date for the 2013 Strategic Planning City Council Retreat

PRESENTER: MARK MCGRATH

ISSUE SUMMARY: As we have discussed previously, our next key step in the strategic planning process is to have a retreat involving the City Council and Administration. The retreat will primarily focus on projects and priorities for the 2013 10-year Strategic Plan. This year staff is recommending an all-day (8:00 to 5:00) Friday session (rather than half-day Saturday session) to allow a more comprehensive discussion. Possible options for the meeting include the following dates:

February 15, 2013

February 22, 2013 (staff recommendation)

March 1, 2013
