4           **Ordinance 12-02**

5  
6     19:29:03 City Attorney John Brems referenced a proposed ordinance that would basically reset  
7 the compensation schedule for employees. He explained that out of an abundance of caution and  
8 for clarification purposes a public hearing has been scheduled. He stressed, however, that there  
9 is no intent to give any elected official a raise. Mr. Brems relayed that in the next year's budget  
10 for the City an exhibit that illustrates pay grades will be included. He indicated that, although  
11 previous budgets have been much more detailed, future budgets will allow the Council to simply  
12 set salary ranges and then Administration will administer salaries within the parameters given.

13  
14     19:30:47 Chairman Rechtenbach said he is concerned that the proposed ordinance may require  
15 more discussion, especially for new Council Members.

16  
17     19:31:23 Chairman Rechtenbach opened the public hearing and called for any citizen comments.

18  
19     19:32:24 There were no citizen comments and Chairman Rechtenbach declared the public

36  
37     19:35:55 City Administrator John Inch Morgan presented the subject resolution to accept the FY  
38 2011 Utah Local Government Trust (ULGT) Risk Management Grant. He cited six safety  
39 regulations that must be met. He indicated that the funds granted will be utilized to promote  
40 safety and help reduce risks. Chairman Rechtenbach clarified that this is a grant from ULGT and  
41 will be received by the City in cash form.

1 19:38:30 Council Member Overson inquired about the Trust's *Safe Driver Pledge*. Mr. Morgan  
2 explained that the form is generated by the Trust.

## 13 14 7. OTHER MATTERS

### 15 16 7.1 **Ordinance 12-01 – An Ordinance of Taylorsville Prohibiting Smoking on or** 17 **in City-Owned Parks, Trails, and Recreation Facilities – *John Brems***

18  
19 19:39:57 City Attorney John Brems presented the subject ordinance regarding the prohibition of  
20 smoking in City Parks. It was agreed to make the amendment previously suggested and to  
21 eliminate the phrase "... including possession of lighted tobacco products in a vehicle."  
22

23 19:40:59 Council Member Larry Johnson **MOVED** to adopt Ordinance 12-01 – An Ordinance of  
24 Taylorsville Prohibiting Smoking on or in City-Owned Parks, Trails, and Recreation Facilities  
25 with the amendment to exclude the verbiage "... including possession of tobacco products in a  
26 vehicle." Council Member Dama Barbour **SECONDED** the motion. Chairman Rechtenbach  
27 called for discussion on the motion. Mr. Johnson asked about the posting of signs. Mr. Brems  
28 noted that verbiage in the ordinance addresses signage. There being no further discussion,  
29 Chairman Rechtenbach called for a roll call vote. The vote was as follows: Rechtenbach-yes,  
30 Barbour-yes, Johnson-yes, Burgess-yes, and Overson-yes. **All City Council members voted**  
31 **in favor and the motion passed unanimously.**

### 32 33 7.2 **Discussion of the Proposed *Land Development Code*, Chapters 35, 36 and 37**

34  
35 19:43:40 Community Development Director Mark McGrath called for discussion on Chapters 35  
36 and 36 of the proposed *Land Development Code*. He suggested that discussion related to  
37 Chapter 37 be postponed until the next meeting, as it contains extensive fundamental changes to  
38 the current code and may require a significant amount of time for review.

39  
40 19:44:14 Chapter 35 was addressed. Chairman Rechtenbach noted a lot of redundancy in the  
41 chapter. Mr. McGrath clarified that this chapter essentially mimics State Law.

1 19:45:35 Council Member Johnson referenced sign requirements and suggested including  
2 requirements pertaining to size. It was agreed to include a size requirement of four to five square  
3 feet.

4  
5 19:46:32 Chapter 36 regarding definitions was reviewed. Mr. McGrath noted that the proposed  
6 code is a substantial improvement over the current code. He cited a recent difficult situation in a  
7 Planning Commission Meeting over a land use that was not specifically defined. He indicated  
8 that the proposed definitions are pretty straight forward.

9  
10 19:48:14 Council Member Overson inquired about certain landscaping definitions. Economic  
11 Development Director Donald Adams gave clarification on why some landscaping definitions  
12 still need to be included. Mr. McGrath referenced some uses that are not allowed, but still need  
13 to be defined in order to make determinations.

14  
15 19:50:12 Council Member Overson cited the definition of a variance on Page 72. She inquired  
16 whether the Board of Adjustment is the only body that can grant a variance. Mr. McGrath  
17 explained that State Code no longer requires a "Board of Adjustment" per se, but rather requires  
18 that there is an appeal body in place to address provisions of the Zoning Code. Council Member  
19 Overson suggested that the wording on Page 72, therefore, be amended. Mr. McGrath agreed  
20 that this change would be made.

21  
22 19:50:59 Council Member Overson referenced some other housekeeping-type changes that she  
23 will e-mail to Mr. McGrath.

24  
25 19:52:01 Mr. McGrath clarified that Chapter 37 will be scheduled for review during the January  
26 11, 2012 Work Session.

27  
28 19:51:42 Council Member Barbour inquired whether the proposed *Land Development Code*  
29 might be added to the City's shared *Evernote* folder. City Administrator John Inch Morgan  
30 confirmed that it will be included in the shared folder.

31  
32 19:52:20 Mayor Wall cited the Rocky Mountain Power Substation across the street from the Fire  
33 Station. He said the substation is very necessary, but doesn't fit with the City's beautification  
34 plans. He indicated that the City has been working with Rocky Mountain Power to improve the  
35 site and make it more attractive. He relayed that the Power Company has budgeted \$200,000 to  
36 contribute to the building of a wall that would be similar to the City's walls along 5400 South.  
37 He clarified that the proposed wall would be taller and required to be 10 feet tall. The Mayor  
38 estimated that the total cost of the wall is between \$375,000 and \$400,000. He suggested that the  
39 wall become a 50/50 project. He referenced \$191,000 that was refunded through the Pedestrian  
40 Bridge Project at 6200 South and 2700 West. He said that if these funds are not used to match  
41 the Rocky Mountain Power funds, those monies will go to another project in another part of the

1 State. The Mayor indicated that Administration will be asking for a movement of the \$191,000  
2 from the Fund 45 Balance (fund for major projects/capital projects) to help beautify 2700 West  
3 around the substation. He clarified that it will be a substantial wall (about 400 feet) around the  
4 substation. Mayor Wall said that this proposal will be brought back for further discussion.  
5

6 19:56:19 Chairman Rechtenbach stated that he is not sure he wants to spend \$200,000 on this  
7 particular project. Mayor Wall reiterated that the business is willing to spend \$200,000 to pay for  
8 half of the project. Mr. Johnson asked about the exact location of the wall and clarification was  
9 given that the wall will run north and south.  
10

11 19:57:27 Council Member Dama Barbour stated that she is in favor of the project. Council  
12 Member Johnson concurred.  
13

14 19:57:56 City Administrator John Inch Morgan said that the Strategic Planning Session has  
15 tentatively been scheduled for January 21, 2012, but a specific time still needs to be determined.  
16 He relayed that citizen committees will be invited to attend and assess the City's Strategic Plan.  
17 He noted that the session is generally scheduled for a half-day. Chairman Rechtenbach stated  
18 that January 21<sup>st</sup> is not a good day for him. Discussion ensued and it was agreed to change the  
19 date for the Strategic Planning Session to Saturday, January 28, 2012 from 8:00 a.m. to noon.  
20

27 2012 City Council Chair and Council Member Dama Barbour as 2012 City Council Vice-Chair.  
28

29 **7.4 General Technology Training – John Inch Morgan & John Taylor**  
30

31 20:04:33 City Administrator John Inch Morgan noted that the two laptops purchased for former  
32 Council Members were eight years old and needed to be replaced. He relayed that it was less  
33 expensive to provide all five City Council Members with iPad devices than to purchase two new  
34 laptop computers; therefore, all Council Members have been issued iPads. Mr. Morgan and City  
35 Engineer John Taylor conducted training in regards to new technology and electronic devices.  
36

37 20:17:38 Mr. Taylor described the benefits of the *Evernote* Program as a repository for shared  
38 documents. He illustrated techniques that are used on the iPad device.  
39

1 20:25:10 Mr. Morgan and Mr. Taylor offered to schedule additional informal training on iPad  
2 applications. It was agreed that a training session will be held on Tuesday, January 10, 2012 at  
3 3:30 p.m. in Conference Room 202 at City Hall.
