QUALIFICATIONS (Attach a statement of up to 200 words):

I have an ability to listen to people, study the important issues, and the courage to make the necessary decisions to make Taylorsville a better place to live and work. My many years of commercial real estate and commercial banking experience, coupled with my tax analysis experience provide me with a unique background and experience to understand the often complex issues facing Taylorsville. My skills and experience enable me to understand the important issues facing Taylorsville of economic development, ordinance enforcement, traffic congestion and *land-use planning*. I enjoy serving the people in our city and I desire to continue to work to improve our city, along with our staff and other elected officials.
