

## Prim and Trim Home is *Best of Taylorsville* in May

When the Taylorsville LARP Committee approached the home of Roger and Lisa Kesler to inform the couple they were *Best of Taylorsville* winners for May, we didn't have to look hard to find them. The Kesler's, along with their teenage son Aaron, were in the front yard with spades and seedlings, sprucing up for summer. Soon, vibrant colorful ground cover will provide a perfect compliment to a prim and artful landscape.

Since moving into 3040 West Bernina Drive more than seven years ago, the Keslers have restored, bordered and groomed an array of delightful shrubs, bushes and trees. Vibrant barberry, boxwood and assorted evergreen surround a thick green lawn. Lisa, who is the unofficial caretaker of the Kesler estate, has become expert at sculpting bushes and shrubs that give the property sort of an "Alice in Wonderland" feel.

Like nearly every past winner of the Best of Taylorsville award, the Keslers say they invest the time and effort in their yard because of a sense of pride in who they are and where they live. Roger and Lisa point out that their neighbors take good care of their property and the Keslers have an obligation to compliment their good work. And do they ever.

During the first city council meeting in June, the Keslers will receive a beautiful plaque donated by Crown Trophy and a basket of goodies from Great Harvest Bread Company; both are supportive Taylorsville businesses.
