

The Utah Department of Transportation (UDOT) plans to resurface 4700 South from I-15 to I-215 West. Construction has begun and will continue through July 2016.*

Ongoing Activities

- Crews continue work on removing and replacing pedestrian ramps from 260 West to I-215. Expect delays getting on and off I-15 at 4500 South while this work continues. Use alternate routes when possible.

Upcoming Activities

- Beginning next week crews will begin work on removing the median curb at I-215. Expect lane closures and delays as this work is ongoing. Use alternate routes when possible.

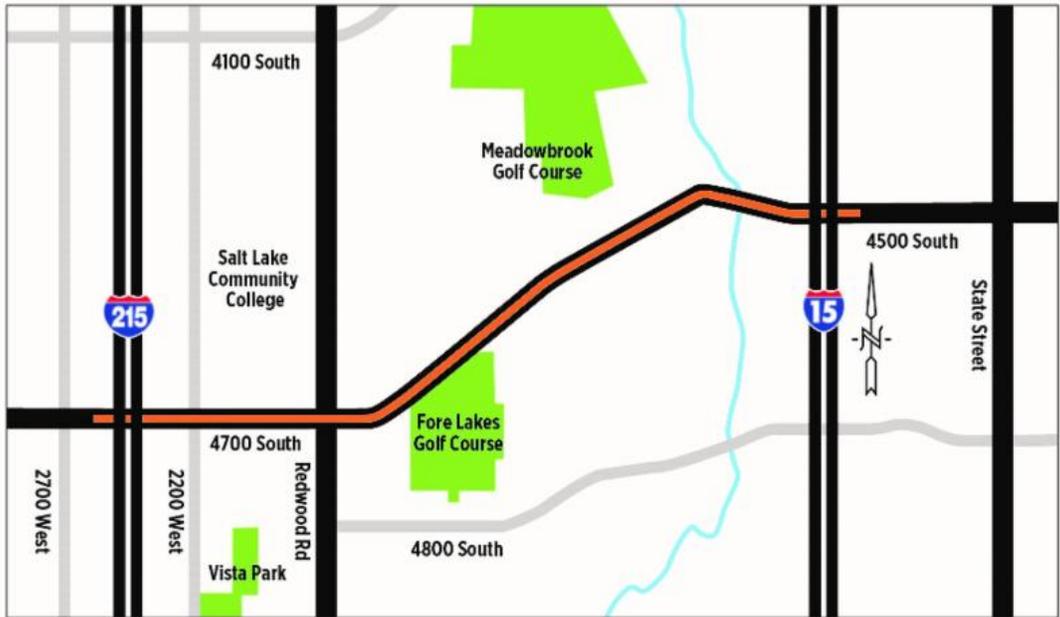

Shoulder closures, single lane closures and turn lane closures can be expected. Please pay attention to the traffic control.

Shoulder closures, single lane closures and turn lane closures can be expected. Please pay attention to the traffic control.

Surrounding residents and businesses can expect traffic restrictions, construction equipment and vehicles in the area, and an increase in noise, dust and vibration.

STAY INFORMED

Sign up for project emails to stay up to date on construction progress and impacts at 4700south@utah.gov or by calling the hotline 888-966-6624.

*Construction schedules are subject to change due to utility, material, weather and equipment delays.
