**DISCUSSION ITEM**

1. Discussion Regarding Future Planning Commission Meetings and Agendas. (Mark McGrath)

- 1.1 This item was presented by **Mark McGrath**. He explained what happened during the budget process this year in that the Planning Staff was reduced to one person. He advised that I-Pads would be purchased for the Planning Commissioners. Commissioners expressed their concern about the down sizing of the Planning Department and about the timing and expense involved in purchasing I-Pads for all Commissioners.
- 1.2 **DISCUSSION:** **Commissioner Fazzini** proposed elimination of the \$40.00 Planning Commission stipend to help out with the economic problems the City is experiencing. He recommended discussing this during the July 2013 meeting. He also did not feel all Commissioners needed I-Pads – that some already had their own and would prefer to use them. **Mr. McGrath** said that the I-Pads would not be assigned to specific individuals but rather designated for the Planning Commission position and would be passed on should a member leave the Commission. **Commissioner Barbieri** advised there is a need for the Community to be educated on how Taylorsville differs from other cities.

**OTHER BUSINESS:** None.

**CITY COUNCIL MEETING DISCUSSION:** The events which transpired during the last City Council meeting were discussed.

**ADJOURNMENT:** By motion of **Commissioner Fink**, the meeting was adjourned at 7:03 p.m.
