MAYOR'S MESSAGE

Dear Friends and Neighbors,

In the wake of recent tragedy among public safety officials in our valley, I feel it important to take a moment to express my sincere appreciation and admiration to our dedicated Police Officers, Firefighters, EMT's (Emergency Medical Technicians), and Code Compliance Officers.

Thank you for the bravery, courage and sacrifice you demonstrate each day on behalf of each and every resident in our city.

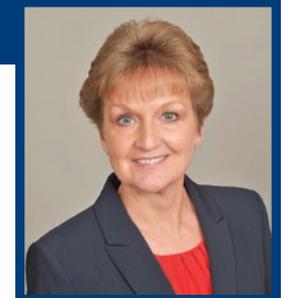

Thank you for always being available when called upon, often putting the needs of others before those of you and your own family.

Thank you for making a choice each day to assist and protect those who are most vulnerable in our community.

Thank you for treating each member of our community with dignity and for the quiet acts of service.

Thank you for serving our community with care and respect even after witnessing tragedy, heartbreak, and disaster.

Thank you to those who have made the ultimate sacrifice. It is our duty as citizens to never forget.

Mayor
Kristie S. Overson

—Mayor Kristie S. Overson

Thank You
FIRST RESPONDERS

City of Taylorsville Green Committee and the Utah Recycling Alliance are proud to announce

CITY OF TAYLORSVILLE GREEN COMMITTEE

FIX-IT CLINIC

Saturday, October 13, 2018

2:00 p.m. - 4:00 p.m.

Taylorsville City Hall

2600 West Taylorsville Blvd.

This Fix-It clinic is to help residents diagnose and derive confidence to self repair, take apart, and troubleshoot mechanical or electrical failures of small appliances. This is a great opportunity to patch up older items that can have a second life, instead of throwing them away or buying the same products in the upcoming holiday season.

Please contact Matt Thomas at 801-281-8282 or 801-913-9222 email mmt200541@yahoo.com with questions, or if you can volunteer your handyman/handywoman skills.

MCDONALD'S GRAND RE-OPENING, WE LOVE THE NEW LOOK!

City Officials, McDonald's Staff along with Community Members participated in a Ribbon Cutting to celebrate the new remodeled look inside and out of the Bennion McDonald's. This new look includes:

- a major remodel - inside and out
- updated decor and features including ordering kiosks and digital menu boards inside and out
- new lobby
- updated seating
- all the conveniences: McDelivery through Uber Eats - Mobile Order Mobile Pay

Grand Re-Opening Ribbon Cutting - July 26, 2018

COUNCIL CORNER

I am Meredith Harker and I am a newly elected Council Member for District 4 here in Taylorsville. I have been serving for 8 months now and it has been a wonderful, eye-opening experience. I thought I could share with you some of the behind-the-scenes and ins-and-outs of Taylorsville Government that you might not be aware of.

First, the administration, staff, and employees who work for the City of Taylorsville are top notch. They don't all live in Taylorsville, but they all have a love and pride for our city and want to do all they can to make Taylorsville a better place to live, work, and play. They work hard day in and day out to carry out everything it takes to run a 60,000+ city of people. They are always open to feedback, suggestions, and input into what we can do to improve things in our community.

Second, our Police and Firefighters that work in the Taylorsville area are 100% committed to serving and protecting our citizens. As I have met with, talked with, and watched them in action, I know that they want to help Taylorsville become a safer place to live. I am in awe of their commitment to their jobs and how they are willing to put their life on the line to help individuals and families.

Third, we have some amazing volunteers that work hard behind the scenes to improve our quality of life. Since being on the council, I have seen the Green Committee hold a recycling event, the Parks and Recreation Committee hold an Arbor Day event and host outdoor movies at city hall, the Historical Preservation Committee give tours of the museum to hundreds of school children, the Public Safety Committee host a community safety fair, and the Arts Council put on the production of "Annie Get Your Gun." And the Cultural Diversity Committee was organized. Wow! That is a lot of volunteer hours put in by wonderful citizens in our community. If you would like to join them, they would love more help!

Here are a few more things that I have been made aware of since working for the city that you might not know:

- Our roads are controlled by different entities; the City and the State (UDOT).
- Some street lights are owned and maintained by Taylorsville, some by Rocky Mountain Power.
- Our garbage collection is done by Wasatch Front Waste and Recycling District, and Taylorsville residents are some of the best at recycling.
- We have a 50/50 sidewalk repair program.
- There are up to two free landfill vouchers available to residents to haul garbage and green waste to the landfill.
- We have 6 volunteer committees for citizens to get involved in.
- There are resources throughout the city to have community councils and neighborhood watch programs in your neighborhood.
- Taylorsville is the most densely populated city in the state.

Meredith Harker
Council Member
District #4
mharkertaylorsvilleut.gov

I have thoroughly enjoyed my time so far on the City Council serving you in our community. We are here to improve life in Taylorsville and are always available for any concerns or questions you might have.

UPCOMING PUBLIC MEETINGS **September 2018**

| | | |
|----------------------------------|-------------------------|-----------|
| City Council | Wednesday, September 5 | 6:30 p.m. |
| Planning Commission | Tuesday, September 11 | 7:00 p.m. |
| City Council | Wednesday, September 19 | 6:30 p.m. |
| Planning Commission (field trip) | Thursday, September 20 | 5:00 p.m. |

Si te gusta pasar un rato agradable y divertido, participar e involucrarse en nuestras actividades culturales de la ciudad, The Taylorsville Cultural Diversity Committee, te invita a participar y asistir a nuestras reuniones los tercer martes de cada mes en la oficina de la Alcaldía de Taylorsville. Contactanos en este correo: tvilleculdiverscommittee@gmail.com. Te esperamos!

If you would like to have fun and get involved in our city cultural activities, "The Taylorsville Multicultural Diversity Committee" invites all those who are interested in promoting cultural activities to join our committee by contacting our committee at tvilleculdiverscommittee@gmail.com. You can also come and meet with us every third Tuesday of the month at the Taylorsville City Hall at 7:00 pm. We will see you there!

Taylorsville Bennion Heritage Remembrances

This months Taylorsville Historic Preservation article is about a couple named Elfy Edna Cushing (Ned) and Albert Leroy Christensen (Ab).

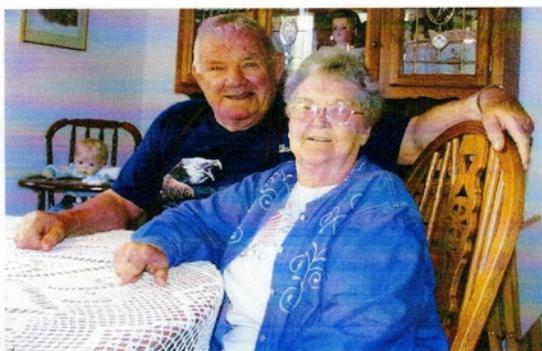

Ned was born at home in the sun porch of the old Schneider house in Taylorsville (abt. one block east of 1175 W, and two blocks north of 4800 So., back in the field by Mrs. Pixton's.

Ab and Ned (Edna) moved into the old adobe home in 1952. Ned grew up in Taylorsville. She attended Plymouth School for Elementary and Jr. High. She then attended Granite High School. Both Ab and Ned met while on a roller-skating party. They both had other dates, but were in the same car. It is believed that Ab made eyes at Ned, and that romance began.

They were married 3 July, 1940 and moved to a small house in Sandy, and later to Midvale, and then Murray, and finally Taylorsville They both lived through the great depression.

Ned said that she remembered a time when all the food in the house was one can of beans. Ab said that finding work was very hard. He finally found work at the Murray Sampling plant during the days and at Kennecott Copper mine at night. The marriage produced 5 children, Ruth, Shirley, Albert Bill, Richard (Rick), & Nedra who all attended Taylorsville Schools. Ab died from pneumonia in 2002, and Ned lived another two years and then went to join him. The crocheted table cloth in the photo was handmade by Ned.

JULY 3, 1999
59 YEARS OF HAPPINESS

Chief Tracy Wyant

On Wednesday, August 15, 2018 at the City Council Meeting Chief Tracy Wyant presented the following UPD Taylorsville Precinct Awards:

Left to Right: Officer Kevin Takeno, Detective Grayson Van Leeuwen, Detective Chelsea Winslow

Officer of the Month - July 2018 Officer Kevin Takeno

During June 2018, Council District 4 experienced a significant increase in tagging and gang related graffiti. Detective Grayson VanLeeuwen was assigned the case and immediately began an in-depth investigation that included a coordinated with Metro Gang Unit.

Within just a few days, Grayson had realized significant success with the arrest of 5 individuals. In addition to the arrests, Grayson in conjunction with the Metro Gang Unit were able to identify and locate additional persons of interest.

Detective VanLeeuwen is someone who is respected both personally and professionally. Grayson is to be commended for his pro-active efforts in keeping the City of Taylorsville safe.

Thank you

Precinct Chiefs Award 2018 Detective Chelsea Winslow

Detective Winslow was assigned a very convoluted case where an employee was embezzling money from a labor organization. Detective Winslow diligently worked this case and was able to gather evidence to prove this suspect had embezzled over \$60,000. The labor organization gave Detective Winslow very high praises for her professionalism in investigation of this case. While working the previous mentioned case, Detective Winslow simultaneously self-generated a drug case on a problem house.

Detective Winslow made several controlled buys from the residence and secured a warrant. Upon service, several individuals were charged and taken to jail. The residence was closed to occupancy by the Health Department. Detective Winslow was able to shut down a problem house which had been plaguing the neighborhood. During the search of the residence numerous neighbors drove by and offered their thanks for shutting the residence down. In addition, Detective Winslow was working a separate embezzlement case where the suspect embezzled more than \$80,000. Detective Winslow began working with the US Attorneys Office to bring Federal Charges against the suspect. I was contacted by the business owner who gave praises to Detective Winslow for her investigation on the case. These embezzlement cases are extremely complicated and require many long hours of investigation of financial records. Lastly Detective Winslow created, coordinated, directed, filmed and edited a UPD Taylorsville Precinct Lip Sync Challenge Video.

The video was well done, humorous and shed a great light on law enforcement. The video has had over 40,000 views and counting.

Detective Winslow should be recognized for her continual resolve and performance.

Officer of the Month - June 2018 Detective Grayson

On July 3, 2018 Officer Takeno responded to a fraud in progress at the Mountain America Credit Union. The suspect attempted to cash a stolen check and left in a White Chevy Tahoe. Kevin located the vehicle at 4535 South Benview Drive and conducted a traffic stop. He contacted a male driver and took him into custody without incident.

Through Officer Takeno's investigation he recovered a stolen .22 firearm, several rounds of ammunition, narcotics, identifications belonging to others and several counterfeit checks. A history check revealed Esau was linked to other ongoing fraud/forgery cases within WVC and UPD jurisdictions. Through Officer Takeno's intuition and proactive police work he asked jail staff to conduct an additional fingerprint check through BCI to truly verify Esau's identity. After several hours the jail informed Officer Takeno that Esau was actually a Faleniu Felisi Noa, who was on federal probation. Officer Takeno was able to properly submit charges on Faleniu as the true perpetrator instead of the alias Esau.

This is just one example of how going the extra mile pays dividends. Officer Takeno went above and beyond on this case.

Officer Kevin Takeno is hardworking and tenacious when it comes to police work and truly dedicated in representing the UPD oath. He is and continues to be an honorable asset to the City of Taylorsville and the Unified Police Department.

KEEP RECYCLING

By now you have probably heard that recycling fees have increased and at times have been higher than landfilling the materials. It's also important to know that landfilling the recycling will not prevent increased costs. The materials have to go somewhere, so why not keep recycling going.

WFWRD continues with the commitment to provide residents the avenues to recycle. The current services of weekly collections will continue because it is still worth it for the environment and the future costs of not recycling.

Here are a few tips to keep costs as low as possible:

- Keep it clean: Make sure items are emptied. You don't need to wash your recycling, just a quick rinse if needed.
- When in doubt, throw it out.
- No plastic bags of any kind. Even bagging your recycling and placing the bag in the curbside recycle can drives up costs.

TRUCK SAFETY

Many schools are gearing up for the new school year. Whenever your routine is altered, it is sometimes difficult to realign your schedule and remember everything that you need to accomplish. Our drivers are aware of the influx of school children going to and coming from school, and are always looking out for their safety. We encourage all families to discuss safety practices with their kids around large vehicles, including garbage trucks and school busses. Big trucks are fun to watch, but it is important to remember to keep your distance to stay safe

VOUCHERS

Did you know that we provide landfill vouchers to residents? These vouchers give Taylorsville residents up to \$12 off one load of acceptable materials at the Salt Lake Valley Landfill. You can obtain these vouchers if you have the ability to haul your own truck or trailer loads to the landfill. The vouchers can be obtained at Taylorsville City Hall.

Is that lawn really worth it?

After a long hot summer, you may ask; Is all that lawn really worth it? Consider the frustration of irrigation systems not working, weeds that grow no matter how hot it is, and weekends sacrificed to maintain that unappreciative lawn.

There is a better way to have a beautiful yard while saving time and water! Localscapes to the rescue. The professional team of horticulturists, landscape designers, maintenance pros, irrigation experts are here to help. A free resource promoting a moderate approach to waterwise landscaping that is appropriate for Utah. Visit Localscapes.com for more information.

If you have any questions regarding this article, please contact our office at Taylorsville-Bennion Improvement District: 801-968-9081 visit our website www.tbid.org and follow us on Facebook and Twitter.
