Animal Services	511 West 3900 South 84123	385-468-7387

Salt Lake County Animal Services has been paying close attention to the COVID-19 Coronavirus situation. We have been in contact with our County officials, the Health Department and other experts in order to make the best decisions for our staff, our patrons, volunteers and of course the animals in our care. Our shelter is not closed, but we are limiting regular lobby access and reducing foot traffic as much as possible in order to reduce the possible spread of disease. We are still functioning as normal, just without face-to-face interactions wherever possible. Services will be available by appointment only.

Returns to Owners: If someone believes their pet is at the shelter, call 385-468-7387, or email animal@slco.org, during normal business hours to set up an appointment. Please leave a message if the line is busy. Allow up to 48 hours for an enforcement specialist to respond.

Adoptions: If someone is interested in adopting a specific pet, please email adoptions@slco.org to set up an appointment during business hours. Allow up to 72 hours for an adoptions specialist to make contact.

Animal Emergencies/Incoming Stray Pets: If someone has an animal emergency or a stray/lost animal, please call Dispatch at 801-743-7000 and an Animal Control Officer will be in contact.

Events & Volunteers: At this point, we have made the decision to cancel all events and programs on-site through April 4. Both volunteers and community service workers will not be allowed in the building during this time as well.

The pets at Animal Services are healthy and well cared for by staff at all times. Updates will be posted on our social media channels. Visit AdoptUtahPets.org for animal-related questions or information.
